2.20.2 - "The Long-Awaited Update"

Oh… boy, it has been a bit. 2.20.2 brought new pages and features. Regarding stories, 2 new stories: "Technology Influences Young Audiences" and "Sci-Fi Stories Reflect Reality", and all stories now have PDF downloads available. A new Pynx Project is now here, named NyaOS, which is a hobby OS. Additional content added to MDickie Projects and CodingHome is also available.

Documentation: The Title II and VII Policy and Security Policy (GitHub) has been updated.

View the changelog details on the next couple of slides. →
